2019-2023	Ambalika Institute Of Management And Technology B.Tech(Computer Science And Engineering) 81.1%
Passing Year:2019	St. Mary's Day Inter College Senior Secondary School 93%

PROJECTS

Shrubitt (September 2022 - Present)

- Shrubitt is an e-commerce website specially designed for a particular plant nursery.
- We're going to add a recommender system and a chatbot to clear all the queries related to taking care of plant.
- Frontend: HTML,CSS,JS, Bootstrap
- Backend: PHP, MySQL

Typing Speed Test (September 2022)

- Developed to use for measuring a user's speed and accuracy.
- Implemented using HTML,CSS and JS.
- Link: <https://anj13niki.github.io/SpeedTest/>

Scramble Game (August 2022-September 2022)

- In this game,letters that can make meaningful words are scrambled together in a random fashion.
- The game is more used to learning words and spelling when you are a kid.
- Prepared using HTML, CSS and JS.
- Link:<https://anj13niki.github.io/Scramble/>
